### Turtle hatchling season

has begun in Plett.

The first hatchling was spotted along Solar  
Beach. Keep an eye out for these tiny  
turtles during your beach walks—they're  
often no bigger than a car key. Remember,  
never return them to the water.

If you find a hatchling, alive or deceased,  
please notify our program manager at **082  
336-2979** or the **Plett Marine Standing  
Hotline at 079 463-4837** immediately.

Among the frequently encountered hatch-  
lings are endangered loggerhead turtles,  
with occasional sightings of leatherback  
turtles in the area. Let's work together to  
protect these precious (and endangered)  
marine species!

### ALANON MEETINGS.

## HELP KEEP PLETT CLEAN

PLEASE  
REMEMBER YOUR  
CASH  
DONATIONS for KEEP  
PLETT CLEAN!

use do not  
Litter

initiative is proudly sponsored by

**SPAR**

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit.

We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively.

As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by us.

With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity.

We thank Sotheby's for sponsoring all our dog poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square

for the donations and last but by no means least, the few individuals that donate to us monthly. We really appreciate your generosity. We meet every Tuesday evening for an hour to clean up identified areas.

Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly. MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella.

We donate bibs to the car guards so that they are identifiable and neat looking.

We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this.

Our expenses have increased as we have grown - we have a scooter that is driven by one of our staff members, which needs to be repaired and maintained, along with the expense of other sundries.

All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant.

We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN.

We have a dedicated WhatsApp group where we post information for our volunteers.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

**A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11.** There are few more impressive sights in nature than watching eagles soaring in the sky using the air currents to overcome the downward pull of gravity. The prophet Isaiah compared this to the way we can rise above disappointment, distress, and despair. Chapter 40v31 reads: "but those who hope in the LORD will renew their strength. They will soar on wings like eagles". We associate the word hope as a desire or dream, but the Bible's meaning is a confident expectation. When we hope in the Lord, we have the confidence that He will lift us up because He is all powerful and He cares for us. "And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose" [Romans 8v28]. All of us know how difficult it is to stay positive when we are being crushed by circumstances - unfortunately some of us turn to alcohol and drug abuse or anti-social behaviour. We even take out our frustrations on those around us, sometimes in a violent way, but there is another way which is: to turn to the Lord and "Cast all your anxiety on him because he cares for you" [1 Peter 5v7]. If we do so, we will rise above our circumstances with a new perception of life, a freedom that passes understanding and a supernatural renewing of our spiritual, mental and emotional well-being. Friends - you can either put your hope in yourself and other people or put your hope in the Lord and soar like an eagle and be a person that experiences. Isaiah 61v2 says: "a crown of beauty instead of ashes, the oil of joy instead of mourning and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the LORD for the display of his splendour". May this encourage you to put your hope in the Lord.  
God Bless, Graeme Greenwood
