before." We don't know where the hidden dangers are, and we make a shipwreck of our lives. We get confused about our destination and when the headwinds of peer pressure come, we are swept off course. Christians on the other hand have as our captain, Jesus Christ (Hebrews 2v10) who knows our destination and the dangers because He has been this way before. Maybe He doesn't take us the shortest way to our destination, but it will be the fastest and safest. There is nothing more amazing than seeing people on the high seas of life being calm, content and confident because Christ is their captain. Who is your captain of your soul - Christ or the big I? Who knows the way - Christ or your friends? Who can navigate through treacherous seas and hidden rocks - Christ or celebrities? Who can sail you soul through the headwinds of life - Christ or social media? Be careful in deciding who to follow. From the former writings of our late Graeme Greenwood

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

This week we will look at another amazing comment in our study in Proverbs 30v19 - "the way of a ship on the high seas". The Jewish people of that time were not sea faring, so it was amazing to the writer that the ship moved without being towed or pushed. It even moved forward when there was a headwind. But it cannot sail without someone in charge who has the knowledge to best utilize the wind, who understands the currents, who knows the perils of hidden rocks and knows where the destination is and that the shortest route is not always the fastest or safest. But we are like a ship on the seas and we need a captain to navigate us through life. Who are you entrusting your life to? There are only 2 types of captains of our ship - me

or Christ. A famous poem called Invictus finishes with "I am master of my fate and captain of my soul" and this sums up the secular world view which maintains "I don't need God" as I am confident in my own ability to reach my life's destination. But God warns in Joshua 3v4 that if we are captain of our ship, we may make a huge mistake because "you have not passed this way

As founder of Keep Plett Clean, it is with immense pride and gratitude that we celebrate Plett's nomination for the prestigious title of "World's Leading Beach Destination" in the World Travel Awards this year. To be placed alongside iconic beaches in Thailand and Hawaii is a tremendous honor and a testament to the tireless dedication of our volunteers and the entire community. Keep Plett Clean was founded on the principle that clean, well-maintained environments enrich not only the lives of residents but also leave a lasting impression on visitors from around the world. For over 12 years, our passionate team of volunteers, led by myself, David Scott and Tanya Bothma has consistently dedicated their time to cleaning up our town and beaches. Every Tuesday, from 5 pm to 6 pm, they have shown up, rain or shine, to ensure that Plett remains a pristine, welcoming environment for all who live

here and visit. Their commitment speaks to the heart of what makes Plett so special—an unyielding love for our natural beauty and a deep-rooted sense of community pride. This nomination is more than just an accolade for our beaches; it's a reflection of the collective effort it takes to keep Plett beautiful working together with Bitou's Municipality. Our volunteer dedication to picking up litter, emptying bins, scrubbing away graffiti, and ensuring that waste is properly managed has helped create an environment where visitors can enjoy the full beauty of Plett's beaches and natural surroundings. The feedback we receive from hotels, guesthouses, Airbnb hosts, and tourists speaks volumes—our town's cleanliness is noticed, appreciated, and makes a real difference in their experience. The recognition shows that our work, as part of Keep Plett Clean, goes beyond aesthetics. It ensures that every visitor leaves with fond memories of a place that is not only

stunning but also cared for by its community. This global nomination validates the impact of our efforts and serves as a reminder that the diligent management of waste and environmental protection are key to maintaining Plett's growing reputation on the world stage. We also encourage all locals to get involved in maintaining the beauty of our town. Bins are placed throughout the area, and we regularly share information on social media and our website about how to responsibly manage waste. Our poo bag stations on the beach help pet owners enjoy Plett's natural spaces while keeping them clean. And when unforeseen challenges arise, such as plastic pollution, medical waste, or even seal carcasses, our community, in collaboration with the Bitou Municipality, is quick to respond. This nomination is a victory for everyone involved—from our dedicated volunteers to the residents and visitors who contribute to keeping our town clean. It's a celebration of community spirit and a reminder that environmental stewardship is key to Plett's ongoing success as a world-class destination. We extend our heartfelt thanks to all who have played a role in this achievement and look forward to continuing this vital work. Plettenberg Bay is more than just a beautiful beach destination; it's a beacon of environmental commitment and community pride. Together, we will ensure that it remains so for generations to come. All of this could not be done without thanks to our generous sponsors
Alison Bryant
