Safety Tips

- Know all your emergency numbers
- Keep your cell phone in the bedroom
- Never leave keys in a gate or lock
- Make provision for good outside lighting
- Curtains should be closed after dark to prevent suspects from observing the activities inside the house
- Never leave workmen unattended in your home
- Do not leave ladders standing around
- Do not leave your garage, front or back door open or partially open- it serves as an invitation to burglars.

GOLDEX KNYSNA offers easy access, privacy and security with all your gold, silver and Krugerrand transactions. We are no longer at 34 Main St. Knysna. Kindly find us in Knysna Mall – West End, near Spar. Tel. 044 – 382 0417 or contact Glen for a home visit on 082 7888 700.

Turtle hatchling season

has begun in Plett.

The first hatchling was spotted along Solar Beach. Keep an eye out for these tiny turtles during your beach walks—they're often no bigger than a car key. Remember, never return them to the water.

If you find a hatchling, alive or deceased, please notify our program manager at **082 336-2979** or the **Plett Marine Standing Hotline at 079 463-4837** immediately.

Among the frequently encountered hatchlings are endangered loggerhead turtles, with occasional sightings of leatherback turtles in the area. Let's work together to protect these precious (and endangered) marine species!

Initiative is proudly sponsored by

SPAR

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit.

We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively.

As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by us.

With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity.

We thank Sotheby's for sponsoring all our dog poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square for the donations and last but by no means least, the few individuals that donate to us monthly. We

really appreciate your generosity.

We meet every Tuesday evening for an hour to clean up identified areas.

Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly.

MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella.

We donate bibs to the car guards so that they are identifiable and neat looking.

We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this.

Our expenses have increased as we have grown - we have a scooter that is driven by one of our staff members, which needs to be repaired and maintained, along with the expense of other sundries.

All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant.

We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN.

We have a dedicated WhatsApp group where we post information for our volunteers.

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

The Beatitudes (blessings) Jesus taught on
the mountainside in Matthew chapter 5
explain what the life of His followers should
look like. Today we consider the 3rd Beati-
tude in verse 5: "Blessed are the meek, for
they will inherit the earth". This does not
resonate with the natural man or woman
who are forward thinking, goal orientated,
driven and value success. For some it has
an undertone of weakness, but Jesus would
never advocate a life of weakness. Moses
was not someone to trifle with, but he was
called the meekest man who ever lived
because meekness actually means *strength
under control*. The Afrikaans word for
Meekness is Sagmoedigheid which speaks
of a 'soft [sag] courage [moed]. Soft cour-
age is what Jesus was best known for and
is exactly what he expects of His followers.
Nobody is naturally meek and that is why
the Bible speaks of meekness or gentleness
as a fruit of the Spirit [Galatians 5] as it is
only by the power of the indwelling Holy
Spirit that a person can be genuinely meek.
What does meekness look like in daily life?

1. Meekness concerns itself with the Glory
of God. It does not ask for special privileges
or resort to self-pity and is teachable.
Psalm 25v9 reads: "The meek He will guide
in what is right and teach them His way".
2. Meekness does not get provoked by
criticism. It does not allow personal offence
to drive a response but resorts to a display
of soft courage. 2 Timothy 2v24: "And the
Lord's servant must not be quarrelsome but
must be kind to everyone, able to teach, not
resentful. Opponents must be gently
instructed, in the hope that God will grant
them repentance leading them to a
knowledge of the truth".
3. Meekness deals gently with the failures of
others. What earth will the meek inherit?
Obviously not the present earth, but the new
earth God will create after mankind has
destroyed this one. "Then I saw 'a new

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcs. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it. For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119).
