A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

The Book of Psalms is full of wisdom which is as relevant today as when written three thousand years ago. Last week we looked at Psalm 1 and saw how we are blessed when we meditate and obey God's Word. Psalm 2 reveals another blessing in the last verse -Blessed are all who take refuge in Him. That is why in verse 1 the Psalmist is mystified as to why the nations rage against the Lord and His anointed. We see militant atheism and even hostility to Christian values especially in the developed world. The reason for this hatred of God is found in verse 3-'Let us break their chains and throw off their shackles. There is a misconception that the Lord and His anointed are bondage bringers, but they are in fact bondage breakers. But who is the person referred to as His anointed? It is clear from verse 7 that He is none other than the Lord Jesus Christ-He said to me, 'You are my son; today I have become your father. In the Book of Hebrews chapter 1v5 this verse is quoted to prove the divinity of Jesus Christ and why He came to this earth which was to set us free from the bondage of sin- John 8v36-So if the Son sets you free, you will be free indeed. In verse 12 of this Psalm we read Kiss his son. Kissing in those days and culture was a demonstration of submission and affection. God wants us to have a loving relationship with His Son Jesus Christ and acknowledge Him as Lord and then we will experience what is written in John 3v16 For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. But the Psalm continues with a warning-or he will be angry and your way will lead to your destruction, for his wrath can flare up in a moment- rejecting the king's offer of hospitality and protection by refusing to kiss him meant you rejected his rule and

were in rebellion against him which was seen as treason. But we just read in John 3v16 that God loves us so how can He be angry if we don't believe and own Him as Lord? The answer is found later in the same chapter in verse 36 Whoever believes in the Son has eternal life, but whoever rejects the Son will not see life, for God's wrath remains on them. It is a serious thing to reject the one who died to save us so friend do the sensible thing and kiss God's Son Jesus Christ and do what the Psalmist says in verse 10 -Serve the LORD with fear and celebrate his rule with trembling. Because He cares for us, guides us, seeks the best for us we can cast our burdens on Him and live a life free from anxiety experiencing what Jesus promised in John 10v10 I have come that they may have life and have it to the full.
God Bless , Graeme Greenwood

Strengths Workshop Plett 2023 Kids ages 10 - 18 years

For too long parents, teachers and society have focused on identifying and fixing "kids" weaknesses to improve academic performance.

What if every child can find success in school, their relationships and life if we start focusing on the strengths they have, rather than on what they lack. Every child is beautiful, talented, and gorgeous. Its just where?

Research shows that only 2 out of 10 people get to play to their strengths. Life is too short to be one of the 8 that get stuck doing what they can just to make it through another day. Be bold and take the step.

Discovering your strengths is a rewarding process if you know what to look for. Every action respectful or defiant, in and out of the classroom, provides an opportunity to discover a person's unique set of strengths. The boy who is scolded for speaking out in class, may have untapped potential for debate. The girl who is more engaged on the tennis court than the classroom may have a hidden knack for physics. A child drawn to one activity or household chore over another is driven by natural inclinations that can be identified and applied to schoolwork.

Dr Ross will show you how to make such connections in everyday life, and in turn help kids implement the strengths they reveal in school, their relationships, life, and future career.

Parents don't we all want our children to be seen and valued for who they are and the unique gifts they bring to this world?

Cost R 900 per student – cost includes psychometric strength assessment, workshop, and parent group feedback. Strength assessment done online prior to workshop.

Date TO BE CONFIRMED...
