## UnCommon Sense

By Rose Scott

### Where Do You Choose to Live?

Excellent advice that I have learned over dealing with a multitude of clients and friends over time has come from simple observation – anyone who poisons the present with the past is wasting precious time and energy.

Holding onto grudges is like walking around with a "Junk Email Folder" in your head space – often with a requirement for "archives" too! Feeling resentment is like drinking poison in the hopes that the effects thereof will be experienced by the person that you cannot or will not forgive.

Our most precious personal resource is time – you can never recover time not invested well, money and energy may not be simple or easy to renew, but there are options to work on these.

The past is history, the future a mystery, so we need to treasure the gift of today – that is why it is called "the present. I often need reminders of this myself. I have found it a moment-by-moment balancing act since load shedding began. Any form or regular routine is not at all possible for the average citizen.

It feels like the "shock" of Lockdown, all the more traumatising for the compounded impact on income lost, hikes in fuel and cost of living. It is easy to get lost in the past or feel angry about the circumstances and anxious about the future.

With all the additional challenges that we face it is even more important to learn to leave the past in the rearview mirror and focus forward in hope and peace.

While Eskom may control the electrical power in your life, nobody can steal your personal power and peace without your permission. While sitting in the dark I hope that this article gives you food for thought – and the opportunity to work on forgiving and moving on.

## Plett Evangelical Fellowship

*As for me and my house,  
We will serve the Lord. Joshua 24:15*

Anton: 082 878 4193 / Graeme 083 628 1648

*A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11*

Today we conclude our study of the 37<sup>th</sup> Psalm by considering verse 23

"The LORD makes firm the steps of the one who delights in him; though he may stumble, he will not fall, for the Lord upholds him with his hand." The word "makes firm" means to direct. In Psalm 1v6 there is a similar statement "The Lord knows the way of the righteous". The message is that our journey through life is under the divine guidance and control of the Lord and nothing takes Him by surprise. That is a wonderful promise for there are no coincidences for those who trust the Lord, but everything happens for a good and eternal reason as we read in Ephesians 1v11: "In Him we were also chosen, having been predestined according to the plan of Him who works out everything in conformity with the purpose of his will". If we love the Lord though we stumble from time to time, we will not fall because He is right beside us holding us up. Have you considered this blessing that the Creator of the universe keeps us from falling? You might stub your toe because the road is rough and uneven, but because God has a perfect plan you will reach your destination as we read in Romans 8v28: "And we know that in all things God works for the good of those who love him, who have been called according to his purpose".

Friends do you delight in the Lord or is your delight in "things"? When you lie in bed do you delight in thanking the Lord for your day? Do you delight in spending time with other believers? Do you delight in reading God's Word? The fact that you are reading this devotion means the answer is yes and that is something for which I give humble thanks to the Lord. I hope these devotions will encourage you to spend even more time reading and meditating on God's Word.

God Bless Graeme Greenwood

BY-LAW FOR BITOU MUNICIPALITY  
BITOU MUNICIPALITY (WC047)  
NOTICE NUMBER: 150 /2022**

Notice is hereby given that Bitou Municipality intends to approve and publish a Special Rating Area By-Law. An SRA is a defined geographic area within which property owners (ratepayers) agree to pay for certain additional municipal services to enhance the physical and social environment of the area. It is a proven instrument to raise funds for the purposes of upliftment, rejuvenation and sustainability when the majority of property owners are in agreement of such needs. An SRA provides a well-established institutional model and funding mechanism for those communities who wish to enjoy municipal services of a higher level than the average level of services across a municipality and who are prepared to pay extra for these additional services.

The complete Draft Bitou Special Rating Area By-Law and associated Policy can be accessed on the Municipal website at <https://www.bitou.gov.za/laws>.

Comments or objections, with reasons therefore, may be lodged with the Environmental Management Officer, Ms Anjé Taljaard, at [ataljaard@plett.gov.za](mailto:ataljaard@plett.gov.za), or be hand-delivered at Office 50, second floor, Melville's Corner, 3 Kloof Street, Plettenberg Bay, 6600, within 30 days of this notice.
