**Please join us for an exciting
and thought - provoking 7 week
series on the 'PATHWAY OF
REDEMPTION'. [DV]**

A word fitly spoken is like

APPLES OF GOLD

in a setting of silver-Proverbs 25v11

Last week we began a short series on the Fruits of the Spirit that we read about in Galatians 5:22-23. But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law. This week we begin by looking at LOVE. Personally I find the following extract from Charles Stanley's book, the Spirit-Filled Life, most insightful and helpful and I certainly couldn't put it any clearer. He says: The "fruit of the Spirit" can be misinterpreted as characteristics that believers should somehow manufacture in their lives. But the key to understanding these qualities is in the name. "Fruit" is the natural result of growth. And "of the Spirit" explains exactly Who causes that growth—it's not our striving or straining, but the power of the Holy Spirit. No amount of human toil or gritty determination can produce spiritual fruit, but the Spirit's influence in a yielded heart can work miracles. The fruit of "love" may be the best example. We cannot produce the type of love God desires without the leading and strength of the Holy Spirit."

The English word love has very broad meaning, but the Greek language was very precise. The love which the Holy Spirit manifests in believers is agape. This love is not a feeling, but a choice. It is the choice to be kind, to sacrifice, to consider another's needs greater than one's own. Interesting to

note that Agape is used in all of the "hard" love verses in the New Testament. Greater love has no one than this, that one lay down his life for his friends" (John 15:13). "For this is the message which you have heard from the beginning, that we should love one another" (1 John 3:11). "Love your enemies, do good to them, and lend to them without expecting to get anything back. Agape love is the kind of love that Jesus showed when he walked on earth and interacted with many different kinds of people, often in extremely tricky and challenging situations. Maybe you find yourself right there at the moment? As God's children, we do well when we follow His example. His kind of love, the agape love, was impartial, seeking the highest good for all. It was sacrificial, never counting the cost. It was pure, free from any trace of impatience, envy or pride. Love is the Greatest virtue of the Christian life. Without it our best and noblest endeavours are worthless. May the Lord help us to this end. With much Christian love.
Anton van Stormbroek.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa. The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00 We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00 We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

A Moment of JOY – Week 24 By Rose Scott

Sunshine and Rainbows

People who know me well sometimes tell me I have too much of a Pollyanna outlook and see sunshine and rainbows where there are none. This is vastly different to the approach that I used to have on life – entitled, arrogant and in truth tough to be around. Now I do not claim to be the kind of person who always behaves within expectations of others nor am I always sweet as pie, but I went through some deeply sad and tough times and I learned to look for blessings if I felt that I had none – and the list is always really long.

My daughter had a big impact on this outlook on life. Shortly after me Mom had passed away in 2012 it was a cloudy day and suddenly a gap opened in the clouds and the sun shone down on us.

My daughter said "Look, Nana opened a window to see if we are okay." That was a pivotal moment for me as I stopped feeling grief and disbelief every time I was reminded of my Mom and felt joy at the precious memories I had to treasure. My girls were 5 and 6 when she passed away, but even now as teens they remember beautiful memories with my Mom – what a legacy to leave behind.

I know there are people who lost loved ones and could not say goodbye but remember that nobody is dead if they live on in your heart and in the way that you see the world – look for the sunshine and rainbows – they will be there.
