#### PAWS Heroine of the month

We are delighted to nominate a very special person, our own "Cat Lady" who has devoted hours of her precious time to making our cattery a happy place. Dr Amanda Duvénage, a retired Neurologist, demonstrates her deep love of cats by spending time, nearly every day, with our cats. She misses them when they are adopted, and is never happier than when she is surrounded by them. She and her husband, a Neurosurgeon, retired to Plett a year ago and have already made an invaluable contribution to PAWS. We salute you Amanda, and look forward to your continued care of our cats.

### **Turtle hatchlings** in Plett.

Keep an eye out for these tiny turtles during  
your beach walks—they're often no bigger  
than a car key. Remember, never return  
them to the water.

If you find a hatchling, alive or deceased,  
please notify our program manager at  
**082 336-2979** or the **Plett Marine Standing  
Hotline at 079 463-4837** immediately.

Among the frequently encountered  
hatchlings are endangered loggerhead  
turtles, with occasional sightings of  
leatherback turtles in the area. Let's work  
together to protect these precious  
(and endangered) marine species!

### *Jesus the Light of the World*

"What's in a name?" Shakespeare's Juliet  
mused that names themselves don't matter,  
but the Bible shows us otherwise. Names  
signify identity, purpose, and mission. In  
John 8:12, Jesus says, "I am the light of the  
world. Whoever follows me will not walk in  
darkness but will have the light of life." This  
declaration reveals His deity, connecting  
Him to the divine name "I AM" from Exodus  
3:14, where God identifies Himself to  
Moses. This declaration also tells us that  
Jesus is "the light of the world." Sun light is  
essential for life. Our planet  
needs light to survive. In Scripture, light  
symbolises truth, purity, and divine  
presence. Jesus, the light of the world,  
offers more than physical illumination; He  
brings spiritual light, exposing sin and  
offering eternal life. His claim ties back to  
creation in Genesis when God's first act  
was to create light, separating it from  
darkness (Genesis 1:3-4). Jesus affirms He  
was present at the creation, the beginning  
of light itself.

For believers, Jesus' light shines in various  
ways. First, He opens blind spiritual eyes,  
revealing the need for salvation. Second,  
through the Holy Spirit, He guides, convicts,  
and transforms hearts. Third, His Word acts  
as a lamp, offering clarity and direction in  
life (Psalm 119:105).

To unbelievers, Jesus' light reveals truth

and calls for repentance. The good news is  
that His light triumphs over darkness. John  
1:5 assures us, "The light shines in the  
darkness, and the darkness has not  
overcome it." While sin and darkness persist  
in the world, they cannot extinguish His  
light.

Jesus calls His followers to reflect His light,  
serving as salt and light in their  
communities. This reflection isn't limited to  
grand acts; everyday interactions—showing  
kindness, integrity, and grace—testify to the  
transformative power of Christ. St. Francis  
of Assisi is credited with saying, "Preach the  
gospel at all times; if necessary, use words."  
Actions often speak volumes, but there are  
times where believers can tell others the  
good news about the light of the world.  
Jesus promises that those who follow Him  
"will not walk in darkness but will have the  
light of life." This light gives eternal life to  
those who believe in Christ as Lord and  
Saviour. In a world often overwhelmed by  
darkness, Christ's light offers hope to the  
hopeless. Let us embrace His light and  
share it boldly, pointing others to the only  
source of lasting peace and salvation.

use do not

Initiative is proudly sponsored by

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit.

We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively.

As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by us.

With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity.

We thank Sotheby's for sponsoring all our dog poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square for the donations and last but by no means least, the few individuals that donate to us monthly. We really appreciate your generosity.

We meet every Tuesday evening for an hour to

Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly. MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella.

We donate bibs to the car guards so that they are identifiable and neat looking.

We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this.

Our expenses have increased as we have grown - we have a scooter that is driven by one of our staff members, which needs to be repaired and maintained, along with the expense of other sundries.

All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant.

We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN.

## Dear Alumni and Friends of Wittedrift,

There's nothing quite like seeing high school students on a pavilion, singing, and cheering their hearts out for their school. The passion and pride in the air are tangible, and it's easy to reminisce about our own youthful days. Unfortunately, our beloved pavilion has been declared unsafe. With the new school year beginning in just over a month, our Grade 8's will start their high school journey without a place to gather, sing, and celebrate.

This pavilion was named in honour after Mr. Andre Bouwer, a former principal who was dedicated to Wittedrift for many years. Let's honor his legacy by ensuring that future generations of students have a place to create lasting memories. We need to raise \*R138,000\* to repair the pavilion in time for the new year. Your generous donation will make a significant difference. \*Please make a pledge today and help us fulfill Wittedrift's Christmas wish.\*

Together, we can restore this cherished space and continue the tradition of Wittedrift spirit.

Please follow the link to make your donation today: <https://www.backabuddy.co.za/campaign/wittedrift-high-school-pavilion>

We thank you for your support.
