The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

A true act of kindness...

As the year and festive season come to a close, we look back, reminiscing on the year that's been. Many people may look back and mourn losses or missed

opportunities, but one certain young woman set out to make the Christmas memories of 190 children, happy ones. Mikaya Whitehead, a Springbok Scout and Rover at 1st Plettenberg Bay Sea Scouts, made it her mission to ensure that every child at the Siyakula School in the Qolweni settlement had a present to open for Christmas. All of her hard work and all of the generous donations from the people in Plettenberg bay, paid off in full at the sight of the children's smiling faces as they opened their presents. This act of kindness is an inspiration to us all to show kindness to those in need. This is, without a doubt, proof that we gain the most when we give. I would like to say a huge thank you on behalf of all the Scouts at 1st Plettenberg Bay, to everyone who made this act of charity possible. A big thank you to PNA, Build It, and Market

square for your generous donations. Thank you to Principal Noqwezi for allowing us to get involved in the school and allowing us to contribute to the amazing work you and all the teachers do. Siyakula works hard to provide a safe place for children under primary school age. On behalf of all of the lives that you have impacted, we want to especially thank Mikaya Whitehead for being the change we need in this world. Sarah Storm
