THE BURNT ORANGE

A Farewell and a Promise of Rejuvenation from The Burnt Orange**

Dear our amazing Customers,

It is with mixed emotions that we bid you farewell on **Sunday 14th April** from The Burnt Orange. As some of you may already know, our beloved restaurant will be closing its doors indefinitely due to renovations at the Plett Angling Club, ending our affiliation with the venue.

First and foremost, we want to express our deepest gratitude for your unwavering support and patronage throughout the years. Your loyalty has been the cornerstone of our success, and for that, we are truly grateful.

To our incredible staff & musicians the heart of The Burnt Orange, the people who became family and who always welcomed customers back for a catch up, a laugh, and a kind extra mile. These are gems of the Plett hospitality scene, who prioritised the success of our restaurant and the team over using the restaurant for their own success. They will be an asset to any establishment they continue to at the end of this chapter.

This closure is not a final goodbye, but rather a brief intermission in our culinary journey. Gareth, our chef, will be seizing the opportunity to embark on a new chapter overseas, where he aims to expand his horizons and enrich his culinary repertoire.

I will be spending a short time overseas to work and reconnect with family and friends abroad, and taking this time to enjoy a well-deserved break, and enjoy precious moments at home in our much loved Plett with my partner, family, and beautiful grandchildren.

Rest assured, while we may be physically distant for a while, our passion for hospitality and culinary excellence remains as fervent as ever. We are committed to returning with renewed vigor, ready to delight your taste buds once again with our signature dishes and warm hospitality.

In the meantime, we encourage you to stay connected with us through our social media channels and keep an eye out for updates on the next leg of the journey for The Burnt Orange. Who knows, perhaps we'll have some exciting surprises in store for you upon our return!

As we embark on this new and exciting chapter, we carry your support and fond memories with us.

Thank you for being an integral part of The Burnt Orange family, we eagerly anticipate the day when we can welcome you back to our tables.

With heartfelt gratitude and warm regards,

Michelle, Gareth & The Burnt Orange Team

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit. We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively. As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by

us. With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity. We thank Sotheby's for sponsoring all our dog poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square for the donations and last but by no means least, the few individuals that donate to us monthly. We really appreciate your generosity. We meet every Tuesday evening for an hour to clean up identified areas. Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly. MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella. We donate bibs to the car guards so that they are identifiable and neat looking. We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this. Our expenses have increased as we have grown - we have a scooter that is driven by one of our staff members, which needs to be repaired and maintained, along with the expense of other sundries. All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant. We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN. We have a dedicated WhatsApp group where we post information for our volunteers. Please join us

*As for me and my house,
We will serve the Lord. Joshua 24:15*

Anton: 082 878 4193 / Graeme 083 628 1648

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

In the Book that bears his name Joshua issues a challenge to the people whom he had led into the Promised Land: "Choose for yourselves this day whom you will serve, whether the gods your ancestors served beyond the Euphrates, or the gods of the Amorites, in whose land you are living. But as for me and my household, we will serve the LORD." from Joshua 24v15. The chief of the pagan gods was Baal who was the god of fertility and rain, so by extension, the god of prosperity. All of us must decide in this secular and material society of 2024 whether we choose the god of this world namely prosperity - or the Lord. It is a choice that determines the well-being of our eternal soul and also those who live in our home and for whom we have responsibility. This does not mean that everyone in our home will become a committed Christian, but whilst they reside under our roof our responsibility is to be the spiritual head and instil our faith into their lives. Once they leave home their relationship with the Lord is their choice as we read in Proverbs 22v6: "Start children off on the way they should go, and even when they are old they will not turn from it". This is not a guarantee they will surrender their lives to Christ, but emphasises the fact that parents need to start the faith walk of their families by being diligent in testifying to the reality of their faith not just in talk, but also in their walk. Children when they are old enough to make their own choice will always have that knowledge as long as they live. Parents, we have been blessed with offspring lent to us by God so let us be zealous in leading our household in serving the Lord - there is no greater gift to children than to see parents wholeheartedly serving the Lord not because they have to, but because they have experienced God's love in their lives and as a result want to serve Him

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcisions. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it. For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119).

Kind regards, Frendell Shaun Terblanche
