PLETTENBERG BAY CRIME PREVENTION ASSOCIATION

Success report back

Wittedrift community arrested a suspect believed to be involved in several criminal activities earlier this week.

Over the past three decades CCTV has increasingly been used in efforts to prevent crime and improve safety in public places, such as parks, transport interchanges, shopping/business districts. Most major cities throughout the world have now installed an extensive array of CCTV cameras that are linked to control rooms which are equipped with video monitors in order to monitor the designated public spaces with a view to discouraging criminal offending and improving perceptions of safety in these areas. The lack of CCTV in our CBD gave a brazen burglar enough time to remove windows to gain access to various businesses over the last couple of weeks. A comedy of errors allowed the suspect to elude capture.

The acting station commander Col Micheals called all role players, a plan of action was put in place whereby vital information was gathered. Within a few hours after the meeting, an ADT security officer identified the suspect. In a combined operation between different security companies and SAPS the suspect was taken into custody. Our wonderful Plett detectives jumped into action and started the process of linking the suspect to the burglaries.

During the same time Harkerville farm watch & Kwano SAPS arrested a suspect with stolen property. The cherry on top of this arrest, the buyer of stolen property was identified and arrested. We believe more arrests will follow.

Once again, the cohesion and trust amongst security partners, the sharing of information resulted in positive outcomes.

The festive season is on our doorstep. We once again want to encourage everybody to take their safety and security seriously, stay alert and be crime wise. Should you have any questions or concerns, do not be afraid to ask. Bitou's unique security and emergency partnerships will keep on working towards the greater good of all, but we cannot sustain our efforts without you, our community. Much obliged for your continued support.

On a lighter note, Plett Rapid Response K9 officer, Courtney and the owner of Eco kennels just returned after a week of intensive training to improve her skills with

Letter via the Editor

A suspect linked to numerous burglaries was stopped in his tracks in Plett! Our Fidelity ADT Plettenberg Bay's Community Operations Manager attended a SAPS meeting yesterday where info was shared that nine business burglaries in the Plett area had occurred in the last month. In some of the burglaries, white spray paint was used to obscure the vision of CCTV cameras. Our response officer had seen a suspicious person previously walking late at night with a tin of white spray paint. A description of the suspicious person was distributed, and a short while later, the suspect was located by our Fidelity ADT team near a shopping centre. He was handed over to Plett SAPS for further investigation, and Plett SAPS confirmed that this was the person of interest in the spate of burglaries that occurred. Well done, team, on this fantastic arrest

Plettenberg Bay has been awarded 8 international Blue Flag Awards for the 2024/2025 season and a Green Coast Award for Nature's Valley at the Wildlife and Environment Society of South Africa (WESSA) Blue flag and Green Coast Awards.

"Life in Plett revolves around enjoying our beautiful natural surroundings: the ocean, the beaches, the forests and mountains. That's why we fight so fiercely to protect them. This vision is shared with our local Bitou Municipality, our marine activities and conservation initiatives," says Patty Butterworth, CEO of Plett Tourism*

The coveted Blue Flag status is one of the world's most recognisable voluntary eco labels awarded to beaches, marinas, and sustainable boating tourism operators. Plett received full Blue Flag status for six of its beaches - Robberg 5, The Waves, Nature's Valley, Lookout, The Dunes and Singing Kettle - and seal-swimming operator Off-shore Adventures for its two boats. To qualify for the Blue Flag, a series of stringent environmental, educational, safety and accessibility criteria must be met and maintained. Robberg 5 and Lookout beaches received special awards celebrating 15 and 10 years, respectively, in the Blue Flag programme which serves to highlight Bitou's long standing commitment to excellence.

Additionally, Nature's Valley has achieved the prestigious Green Coast Status at the ceremony. This is the second consecutive

year that Nature's Valley has achieved this recognition. Based on the success of the Blue Flag eco-label and the recognition that Blue Flag is only applicable to a limited stretch of urban coastline, WESSA developed a second coastal award for implementation along South Africa's coastline. The Green Coast Award, officially launched in 2017, is an annual award programme that recognises inclusive and sustainable management at less developed coastal sites with high biodiversity value making Nature's Valley an ideal location for this significant recognition.

"Receiving the Blue Flag and Green Coast accreditations are more than a badge of honour for a coastal destination like Plettenberg Bay; it's a testament to our commitment to preserving natural beauty, ensuring visitor safety, and fostering community pride," Butterworth concludes. "The accreditations highlight our dedication to sustainable tourism and remind us of the unique role we play in protecting our coastline for future generations - and we notably share this with our local Bitou Municipality beach management team, our marine activities and conservation initiatives."

Spur Treats Bitou Youth Pioneers children to a Memorable Day Out
Plettenberg Bay- On October 25, 2024, The Yellow Wood Spur generously hosted twenty-five children from the Bitou Youth Pioneers non profit Organisation, for a fun-filled 57th birthday celebration. The children were thrilled to spend the day at Spur, enjoying good food and warm hospitality and the best cake ever. We extend our heartfelt gratitude to Spur for their kindness and commitment to giving back to the community. We would also like to express our appreciation to the drivers of Jambie Tours and Tsambani Transport who safely transported the children to and from Spur, ensuring their day out was worry-free. "The children were absolutely delighted, and we're so thankful for this wonderful opportunity," said Vuyokazi Kitsi/ Organisation Representative. "Spur's generosity has made a lasting impact on our young members."
