#### A Moment of JOY

By Rose Scott - "Having It All"

The current crisis that is as much personal as it is global has many of us reviewing the pursuit of "having it all". For too long we have been consume-mate consumers with little conscience about the impact of this on other people, the planet, and the legacy we leave for future generations. My hope is that 2020 has cleared our vision to 20:20 so we have clarity of purpose and power going forward. Many of us have had to let our virtual masks slip and be vulnerable in seeking help and support even as we have had to don literal masks. A new awareness of what I call the "ripple" effect is something we can all appreciate in each moment of the day. Imagine if your thoughts were projected onto your forehead for all to see – would they be kind, compassionate and loving or derogatory, judgmental, and cruel? Every thought, action and word does have an impact – even if that impact is not visible. Gravity is not visible, but no one will argue about whether it exists or not! We have all summited virtual mountains and run emotional marathons this year. Take just one moment – your JOY moment – to focus on what you still have and how much we each still have to be appreciative of.

[WWW.HELLOPLETT.CO.ZA](http://WWW.HELLOPLETT.CO.ZA)

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

#### MORNING GAME DRIVE

*Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30*

Duration of Game Drive 07h00 - 12h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

#### AFTERNOON GAME DRIVE

*Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30*

Duration of Game Drive 14h00 - 18h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

**Think about the smart choice.** Having drinks with friends to celebrate? Keep it responsible.

**Think about the next person.** Always wear your mask in public and when you are finished eating.
