### A Moment of JOY

Week 9 - By Rose Scott

A couple of weeks back I drew a parallel between losing the ground under our collective feet with the "tsumani" of the global Lockdown Fallouts and how we are not able to find the ground now as it is too far from our current reach. I suggested we will need to be less passive in life and learn to tread water, supporting others when they go tired and asking that others assist us when we feel exhausted emotionally, financially, physically. The next phase of the Lockdown Recovery is a vital part of Just Owning Yourself – it is about finding the flotsam and jetsam floating around you and using whatever you can find to create a flotation device – a LIFESAVER. I know that I would rather do this collectively with a select team than on my own, but we each have to make that extra effort to disconnect from the Fear Matrix and technology and all the conditioned ways of hiding and isolating from each other. We need to reach ast our vulnerabilities and learn to trust, have compassion and love to make a flotation device that is adaptable, flexible and strong enough to assist as many people WILLING to contribute, as possible. The I=flotation devices have no space for free loaders so get busy to find what you can contribute – time, money, energy, education, expertise, skill transfer – there are endless ways. It is long overdue that we consider that no amount of smart technology or AI is going to "save" our species. Only embracing our humanness in all its horrors and glories can do that.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

#### MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

A word fitly spoken is like  
*APPLES OF GOLD* in a setting of  
silver-Proverbs 25v11

Today we look at Part 1 of Commandment No 6; **YOU SHALL NOT MURDER**, which prohibits the intentional killing of a human being. May I suggest three reasons why this is so.

1 You shall not murder because: **LIFE is from GOD.** *Gen 2:7 Then the LORD God formed a man from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being.* Modern science has made some impressive advances in the area of genetic manipulation and there is much talk about creating life in the laboratory, but this can never happen because God remains the origin of all life whether it is formed in the womb or in the test tube. Acts 17:8 Paul says it so succinctly: *In HIM we live and move and have our being, and that is why the origin of life has always been and will remain one of the great mysteries of science.* Life is not something which we automatically have or some sort of right-it is a gift from God and He alone gives life and HE alone takes it away. To murder is to take someone's God given life away and that is beyond our authority.

2 You shall not murder because: We are created in the **IMAGE of God**. *Gen 9:6- to kill a person is to kill a living being made in God's Image.* We have been given unique honour and dignity because God's Word tells us that we have been made in God's Image. *Gen 1:27-So God created man in His own image; in the image of God He created him; male and female He created them.* That does not mean that we look like God, because God is Spirit, but it does mean that God gave us the potential denied to all other animals of relating to Him on a personal level and so bear His image and likeness to each other and to the world. It is of course **IN CHRIST** that we see the ultimate illustration of a human being in God's Image.

3 You shall not murder because: We have **SACRED** value. I love what a well known speaker once said on the sanctity of life: "Every individual is a creature of essential worth and that is our God given privilege and prerogative." He goes on to

say: "I love the 10 commandments because in them God shows us that **LIFE** is sacred, **WORSHIP** is sacred, **TIME** is sacred, **PROPERTY** is sacred, **Marriage** is sacred. **RELATIONSHIPS** are sacred" Not only are we of essential worth, but we are of essential worth to each other. Just think of husbands and wives, children, friends. We exist in relationship. Murder always affects many more people than the victim. God speaks of bringing the guilt of bloodshed '*On your house*'. We need to learn and are commanded by God to value human life. Next week DV we will look at the underlying issue of anger.  
With much Christian love.
